Where every acre tells a love story...

Our Colorado mountain venues are known as Northern Colorado's quaint, quiet, small-town hidden gems, tucked in the foothills 17 miles from Boulder, where couples gather and celebrate at either the fun and whimsical Lyons Farmette or the elegant and enchanting River Bend.

Our wedding, elopement and rehearsal dinner venues are stunning. Our team is exceptional. Our wedding packages are generous. And our history is stellar. Just read our reviews!

the FARMETTE

The Lyons Farmette is an intimate four-acre Colorado farm property with a modern indoor barn space, flower gardens and farm animals.

RIVERBEND

River Bend is a luxurious, outdoor venue featuring a beautiful sail-cloth tent, and a dramatic backdrop of red sandstone cliffs along the St. Vrain River.

To love & cherish...

We are the magic makers. From custom experiences to all-inclusive celebrations to intimate elopements, our team delivers. We make Lyons, Colorado weddings not only beautiful and memorable, but smooth and easy.

ALL-INCLUSIVE VENUES

Our two small town venues are big on service and generous on offerings. Not only do we include the entire venue and all of the amenities for your whole day, When we say all-inclusive weddings – it also means ALL are welcome here.

COLORADO OUTDOORS

Just 20 minutes North of Boulder, Co, in the Rocky Mountain foothills, our venues are close enough for easy travel, with stunning outdoor settings - by the river or on the farm - that feel miles away from the crowds to create something truly your own.

FLOWER FARM

The Lyons Farmette is not only home to the cutest critters on the planet for added charm, it is also home to fields of farm grown wedding flowers (& veggies!), hand crafted arbors and our very own professional design team, [Plume & Furrow](#).

UNMATCHED EXTRAS

We have extraordinary partners in creative event planning! Above and beyond our stunning wedding sites and their built-in amenities aplenty – Ask us about [Beverage Burros](#), [Wedding Flowers](#), [Wee Casas](#), [Harvest Tables](#) and [Event Design!](#)

SUSTAINABILITY FIRST

We go beyond organic farming and producing the majority of the flowers and much of the herbs & vegetables on-site as we can. We are a zero waste venue, focused on our commitment to sustainability and stewardship of the land in everything we do.
